

Where does God's law fit into the picture?

Rom 7:1-25

1. God's law and us (7:1-6)
 - a. We died to the law;
Jesus is now our life

2. God's law and sin (7:7-25)
 - a. God's law is good;
what's bad is our sin (v.7-13)

 - b. Our sin wars against God's law;
Jesus is our only hope (v.14-25)

Question for consideration:

How do I deal with my personal struggle
with what's right and wrong?
