

Unspeakable Joy!

Luke 2:8-20

Question:

What does the JOY of Christmas look like in our lives?

1. Joy that REPLACES our fears (v. 8-12)

2. Joy that is RECEIVED personally (v. 13-16)

3. Joy that is RETOLD to others! (v. 17-20)

Reflection questions:

1. The angel of the Lord proclaimed to the fearful shepherds a message of great JOY (v.9-10). As we come to the end of the year, does “joy” describe my heart throughout 2024? If not, what word would you choose?

2. Food for thought: Why would God choose to first proclaim the good news of Jesus Christ to shepherds?

3. Who can we “retell” the message of Christmas to during this season of Advent?
