#### **Questions for discussion:**

1. Zechariah urges the people to ask for God's blessings (like rain). How does this principle apply to our lives today?
2. What steps can you take to ensure that your guidance comes from God and not false prophets or idols?
3. How might you use the teachings of Zechariah 10 to encourage someone going through a difficult time?
4. How does one idolise a church leader?
